

ATELIER

Premium Student Instruments

The Atelier range of student instruments has been designed in Australia for students and teachers who require an instrument with a fine tone, pleasing aesthetic appearance and consistent quality workmanship.

Each of these instruments is made from traditional tonewoods by skilled makers in Shanghai, under a co-operative venture between Melbourne-based violin maker Paul Davies and one of China's oldest and most esteemed violin making companies. Each instrument is set up in Australia by experienced luthiers to produce a full, warm tone and easy playability.

Atelier instruments are fully hand-carved with fine to medium grain Spruce tops, medium figured Maple backs, ribs and scroll-less flame and inlaid purfling. The spirit varnish is of a lightly shaded red/brown colour with a soft patina and lightened edges in an antique style.

All Atelier instruments are supplied as an outfit including:

- Oblong foam case (for violin and viola); Shaped foam case (for cello); Padded bag (for double bass), and;
- Brazilwood bow with round stick and imitation whalebone lapping, ideal for beginners

Fittings

- A Grade Ebony fingerboard, pegs, chinrest and end button provides greater durability
- Super Sensitive Red Label strings deliver a superb dynamic sound
- Quality tailpiece with inbuilt adjusters allows for easy tuning
- Chevalets Despiau Bridge fitted by skilled luthiers in Australia

ATELIER

"The quality and workmanship of the Atelier instruments is fantastic and, most importantly, they have a more superior tone than many instruments used in schools. Our students love playing the new instruments and the change in the tonal quality of our ensemble is very noticeable."

PETER FRANCIS, DIP.MUS.GRAD. DIP.F.E.T.(MUS), DIRECTOR OF MUSIC, IONA COLLEGE, BRISBANE
